Courses

In order to receive Pratt's Certificate in Photography and Digital Imaging, students must complete foundation courses, required core classes and at least five electives.

A Foundation or required Core Course(s) may be waived for a more advanced course if you show competency—for example, through a portfolio review in the subject-matter of the course wishing to be waived.

Required Foundation Courses: Four

PMCG 101 Computer Comp (PC) or
PMCG 180 Computer Comp (Mac)
PMCG 422 Photoshop/Imaging I (Required)
