FRICK ART REFERENCE LIBRARY
FELLOWSHIP APPLICATION
2019-2020

Fellowship information
Two fellowship recipient opportunities are available at the Frick Art Reference Library working with the web archiving team for the New York Art Resources Consortium (NYARC). Fellows will contribute to a unique web archive collection devoted to born-digital resources for art history, including websites for New York City galleries, museums, artists’ websites, catalogues raisonnés, and auction catalogs. The fellows will evaluate candidate sites for web archiving; be trained in using Archive-It and Webrecorder to capture websites; assist with permissions process; perform review, maintenance and QA of crawled websites; participate in discussions regarding web archiving policy and workflow for the Frick and NYARC; and assist with research and fact-checking. Fellows will additionally have the opportunity to present at local and national professional events, contribute to NYARC blog posts, and become actively involved with the international web archiving community.

The fellowship recipient will commit to working on-site at the museum for 8 hours/week (120 hours/semester for the fall 2019 and spring 2020 semesters; 30 weeks total from September 2019-May 2020). This fellowship includes a scholarship in the amount of $5,490 that will be divided equally between the fall 2019 and spring 2020 semesters. Fellows must register for INFO 667 Art Librarianship (fall 2019) and INFO 698 Practicum/Seminar (spring 2020). If the fellowship recipient has previously taken INFO 667 Art Librarianship, this requirement can be substituted with another art librarianship/special collections/archives course subject to the approval of the Dean of the School of Information. The successful applicant must take at least 6 credits in both the fall 2019 and spring 2020 semesters.

Please note that continuing the fellowship through spring 2020 is contingent upon review of the fall 2019 semester by Frick Museum staff.

The fellowship recipient will be selected by Frick Museum staff following an initial review by Pratt-SI staff. Official notification will be made by mid-June.
Please contact the SI Office with questions about the fellowship and/or application process.

**Eligibility**
To be eligible for consideration, an applicant must:
- Have started the MSLIS program no later than spring 2019
- Have a graduation date of June 1, 2020 or later
- Not have previously taken INFO 698 Practicum/Seminar

**Application submission & deadline**
To apply, send the following as one .pdf file to qlai@pratt.edu -
- Completed scholarship application
- Resume/CV
- A list detailing your software/technology proficiency
- Statement of purpose (1-2 pages explaining why you’re applying for the fellowship and what you hope to gain from the experience, etc.)

The deadline is 5pm EST, Thursday, April 4, 2019.
