## What makes me a unique lighting design professional

### **I HAVE DIVERSE PROJECT EXPERIENCE WHICH CAN CONTRIBUTE TO TEAM'S GROWING FUTURE**

My project experience ranges from corporate interiors, retail, residential, cultural and institutional from small to large scale. I am always ready to jump in quickly to explore something new.

### **I BELIEVE LIGHTING DESIGN IS DESIGNING TIME AND OUR EXPERIENCE WITH IT**

Light is a radiant energy and it constantly changes over time. from day to night and season to season. Good lighting design considers our perception & emotion changes over time.

### **I AM A DEDICATED AND RESILIENT TEAM PLAYER WHO CAN BRING POSITIVE INFLUENCE TO THE TEAM**

I am a self-disciplined & dedicated team player, who can bring positive energy to the team to move together to better future!
