

**CONSORTIUM AGREEMENT**  
(For study at another college/program)

This Consortium Agreement (CA) will allow you to use some of your federal student aid (Federal Pell Grant, Federal Direct Subsidized and Unsubsidized Loans, Federal Direct PLUS loans), and TAP (if you are a New York resident attending a New York State School full-time) at another approved school or program. Please note that this agreement cannot be used for campus-based or Pratt aid programs. Federal regulations allow only one institution, the "home institution," to award federal financial aid. As the "home institution," Pratt can recommend these forms of aid when its students study elsewhere, and obtain permission in advance to transfer the courses to the Pratt degree program. Academic progress standards for Pratt do not change during period of agreement. As the home school, Pratt will pay on the Pell Grant of eligible students. Awards are based on the actual cost of attendance at the Consortium School.

This form may be used for courses approved to be taken elsewhere, provided you have the form completed by the Consortium School/Program. As with most forms of aid, you must also file a Free Application for Federal Student Aid (FAFSA) using PRATT's Federal School Code of 002798 and meet any published deadline dates.

Refunds: Pratt can transfer funds either to the student or directly to the Consortium School/Program. You should contact the Student Financial Services to make arrangements for transferring the funds. No funds will be made available to the student, or the Consortium School/Program, until all funds are actually received here at Pratt. The loan proceeds will automatically be sent to the Pratt's office of Student Financial Services. The student must be in good financial standing at Pratt; all debts must be paid. In some cases, funds may not be received until as late as one or two months after the beginning of the semester. If the student is dependent upon these funds to pay their bill with a Consortium School/Program that requires payment before a refund may be issued from Pratt, alternative arrangements should be made with the Consortium School/Program to have their bill covered.
