Zillow

Zillow is the largest rental marketplace, offering consumers the proprietary Rent Zestimate and a free suite of tools for rental professionals—property managers, rental agents and landlords—to help them manage and market their listings.

Trulia

Trulia is a national search engine that provides housing/neighborhood information and community insights. They provide Universities real estate data so individuals can view crime statistics, rental prices, for sale properties, market trends, and more—all in one spot. The local information that Trulia provides is given to them from resources including the US Census Bureau and local MLS. It's purely an educational resource and there's never a cost involved.

Campuscribz

Campuscribz is the one stop shop for off-campus housing. You can easily find listings in your area search for roommates, order services, and more all in one place at www.campuscribz.com. The best part is that it's all free.

JustRentToOwn

www.justrenttoown.com - type in Pratt's zip code to explore the rental homes close to the campus. JustRentToOwn also has a Student Guide that contains a variety of articles on renting, moving, décor, and financial advice. Both parents and student have found the guide to be very helpful at www.justrenttoown.com/blog/campuslivingeverythingneedknow.

Rentcafe.com

Featuring thousands of apartment listings directly from property managers, RENTCafé makes it easy for you to find the perfect home. Search apartments for rent in the US, check prices, view property details with large photo displays, floor plans, amenities, and more.

HotPads

HotPads - A mapbased apartment and rental home search engine, listing homes for rent, apartments, condos and real estate.

RentHop

RentHop is an apartment search tool that ranks every apartment using its proprietary HopScore that sorts listings by quality. Their mission is to make this process quicker, easier, and less painful for renters by showing only high quality listings posted recently from trustworthy sources. Renters can contact landlords and brokers online to schedule showings directly through the website.

Lovely

Lovely - A leading web and mobile marketplace for apartment rentals. Students can set alerts based on their renting criteria and they take care of the rest—automatically delivering them fresh listings matching their search criteria as soon as they hit the market. Additionally, they have the most comprehensive set of rental listings. They work with 70+ data partners and have thousands of listings in New York.

NYCIntern

NYCIntern is a program of The King's College—a private liberal arts school in Manhattan's Financial District—that features safe, comfortable housing in some of New York's most vibrant neighborhoods. Housing is available to full time students and interns studying in the city for the Fall, Spring, or Summer terms. Room layouts range from dorm-style singles to apartment-style triples in the Lower East Side, Financial District, Midtown Manhattan, and Brooklyn Heights. Visit the website for the latest rates and availability.

RentOwn.net

RentOwn.net - Free property listing searches and informational articles.

Apartment Guide

Apartment Guide is a well-trusted rental resource that connects apartment consumers to their ideal place to live. With an unmatched search capability, Apartment Guide provides consumers a clear guide to search the perfect apartment that matches their budget and lifestyle.

Hunt.com

Hunt.com is an apartment search engine designed to find students the perfect home. You can search through a huge inventory of local listings, using an interactive map that automatically groups rentals for easy browsing. You can also

use detailed filters to narrow your search, contact landlords directly from the site, save your favorites, and share with friends. The goal is a more personalized and efficient search process, which helps point students in the direction of those rentals they'll like best.

Student Rental Guide

Student Rental Guide is a resource for first time renters (or those who need additional assistance the second or third time around). The guide offers tips and important resource information to help students find off campus apartments that are safe, affordable and meet their needs.

Rise BK

Rise BK is a breath of fresh air in the world of New York City real estate. Take advantage of our access to no fee apartments throughout Brooklyn, in some of the borough's most exciting and rapidly changing neighborhoods. What you see is really what you get. We know that broker bait-and-switch tactics are an unfortunate reality of apartment searching in New York City, and we vow not to waste your time with fake ads and misleading information.

Naked Apartments

Naked Apartments is a New York City based tech company (sister site to StreetEasy) a resource guide that provides NYC living throughout the 5 boroughs. We've got a beginners guide to renting in NYC here: www.nakedapartments.com/guides/nyc, and our home page is: www.nakedapartments.com.

Rent To Own Labs

Rent To Own Labs: Our goal is to help you find the ideal rent to own home and make the process as seamless as possible by connecting you directly to sellers. Renting to own can be described as a combination of renting and leasing; it allows students or faculty to rent a house and, if they choose, execute the lease option that allows them to become a homeowner.
