

AFFIDAVIT OF SUPPORT

The financial sponsor (such as a family member) must sign an affidavit of support, which is generated in the I-20 application. Financial sponsors from a company or organization must provide a separate affidavit of support on letterhead signed by an authorized signatory.

Students sponsored by their governments (i.e. Saudi Arabia or Kuwait) will submit a letter from their government outlining the award. If a bank of financial statement is not in the student's name, a signed affidavit of support from the account holder/financial sponsor must also be submitted.
