

## HELLO

---

I'm a landscape architect and designer who values community, collective thinking, and co-creation. I consider myself a climate protagonist and strive to design resilient landscapes that prioritize environmental and social justice.

I live in Brooklyn, New York, but I grew up in Pittsburgh, within a family of builders and artists.

I love making things, especially with other people.

## CURRENT WORK

---

### Flatbush Workshop for Design

FWD Landscape LLC  
Founding Member  
2022- Present

Brooklyn, New York

### Pratt Institute

School of Architecture  
Master Landscape Architecture Program  
Visiting Assistant Professor, Studio Instructor  
Starting Fall 2023

Brooklyn, New York

## PAST WORK

---

### *practitioner*
