## Mapping, Data Analysis and Visualization Fellowship at the Pratt Center for Community Development

### FELLOWSHIP APPLICATION 2024-2025

#### **About the Pratt Center for Community Development**

Established in 1963, the Pratt Center for Community Development works for a more sustainable and equitable New York City in partnership with community-based organizations, small businesses, and policymakers. As part of Pratt Institute, we work to advance urban planning and public policies that support community-based organizations in their efforts to improve quality of life, create economic opportunity, and advance sustainable development. Our work is grounded in four core values: Equity, Sustainability, Local Knowledge, and Diverse Economy.

#### **Fellowship information**

One fellowship opportunity is available at the Pratt Center for Community Development for a MS Data Analytics and Visualization student. The 2024-2025 fellow will work on a variety of projects to support affordable housing, climate justice, and equitable economic development in NYC. Projects can include geospatially projecting data, such as producing city-wide maps of different types of building and housing stock, various legislative boundaries, and other types of data in support of affordable housing policy campaigns.

The fellowship recipient will commit to a hybrid work environment (in-person and online) at the Pratt Center for 8 hours/week (120 hours/semester for the fall 2024 and spring 2025 semesters; 30 weeks total from September 2024-May 2025). This fellowship includes a scholarship in the amount of \$7,730 that will be divided equally between the fall 2024 and spring 2025 semesters. The fellow must be currently enrolled in the MS in Data Analytics and Visualization program. In spring 2025, the fellow may take either INFO 698 Practicum/Seminar or present their fellowship project at #infoshow20245 at the end of the semester. The successful applicant must take at least 6 credits in both the fall 2024 and spring 2025 semesters.

Please note that continuing the fellowship through spring 2025 is contingent upon review of the fall 2024 semester by Pratt Center staff. The fellowship recipient will be selected by Pratt Center staff following an initial review by Pratt-SI staff. Official notification will be made in early May 2024.

Please contact the SI Office with questions about the fellowship and/or application process.

## **Eligibility**

To be eligible for consideration, an applicant must have:

- started the MSDAV program no later than spring 2024
- a graduation date of June 1, 2025 or later

## **Application submission & deadline**

To apply, send the following as one .pdf file to [qlai@pratt.edu](mailto:qlai@pratt.edu) -

- Completed Fellowship Application Sheet (see page 3)
- Resume/CV
- A list detailing your software/technology proficiency
- Statement of purpose (1-2 pages explaining why you're applying for the fellowship and what you hope to gain from the experience, etc.)

The deadline is 5pm EST, Monday, April 8, 2024.
