## DIPLOMA MAIL

Diplomas and certificates will be mailed to the address specified on the graduation application. We estimate that the diploma should be received by July 22, 2026, provided all degree requirements have been completed, and all administrative offices and the library have cleared the student. If your address has changed, please notify the Registrar's Office by e-mail no later than May 22, 2026.

## GRADUATION WITH HONORS

The Institute is proud to award degree honors to its highest academically achieving graduates, as determined by grade point average (GPA), as follows:

- “*with Honors*” indicates a final undergraduate GPA no lower than 3.50;
- “*with Highest Honors*” indicates a final undergraduate GPA of 3.75 or above;
- “*with Distinction*” indicates a final master's degree GPA no lower than 3.85;

A minimum of 50 percent of degree credits must be earned at Pratt to be eligible.

*Note:* Candidates completing degree requirements and receiving honors in May are designated in this program on work completed through the fall 2025 semester. The official diploma and academic record will indicate final honors designations, reflecting all grades included in the degree.

## SILVER BRAIDS AND PRATT CIRCLE AWARDS

Pratt Institute is proud to award a Pratt Circle Award and a Silver Braid to all candidates who graduate *with Honors/Distinction*. The Registrar has notified candidates receiving this award, and they will receive their award by mail to the address specified on the graduation application.

## GOLD BRAIDS

Departments and faculty have awarded the Gold Braids to candidates who have made significant contributions to their departments and disciplines. These awards are not linked to graduating *with Honors* for a cumulative GPA. Each department independently determines the selection criteria for these awards. The Registrar has notified candidates receiving an award, and they will receive the award by mail to the address specified on the graduation application.

## GREEN BRAIDS

The Green Braid award is presented to exceptional students who have proven to be outstanding leaders in advancing sustainability on the Pratt campus. The Registrar has notified candidates who will receive an award, and they will receive their award by mail to the address specified on the graduation application.

## RED BRAIDS

Red Braids have been awarded to students who have shown leadership in Student Life.

## LIGHT BLUE AND WHITE BRAIDS

Light Blue and White Braids are awarded to First-Generation graduates. Pratt considers students to be first-generation students if they do not have a parent who has completed a bachelor's degree or higher.

## WHITE BRAIDS

White Braids have been awarded to recognize student-athletes.

## RAINBOW BRAIDS

Students who identify as part of the LGBTQI+ community may choose to wear Rainbow Braids that are presented during the Lavender Graduation, prior to Commencement.
